ANNELIESE LITTLE

427 Spectrum Rd | Summerville, SC 29486 | (843) 834-3323 | lilroober@gmail.com

OBJECTIVE

Motivated Cybersecurity student, aiming to contribute to an organization's security by thinking outside the box to find and mitigate or resolve vulnerabilities in information technology systems. Looking for an environment that fosters continued growth in leadership developed as a professional bass player and section leader. The right organization would appreciate my abilities in providing effective communication, staying calm in tense situations, and delivering reliable results in any environment.

EDUCATION

Bachelor's Degree — May of 2028
Charleston Southern University

- Major: Cybersecurity
- Related course work: Procedural Programming, Applied Networking, Survey of Scripting Languages, Object-Oriented Programming, Calculus I, Cyber Defense, Network Security (In-Progress), Principles of Cybersecurity (In-Progress)

SKILLS & ABILITIES

- Programming Languages- C++, Java, HTML, and CSS
- Leadership
- Management
- Communication
- Responsibility
- Reliability

EXPERIENCE

Principle bassist — August 2025 to present
Summerville Orchestra

- Responsible for leading my section by ensuring we start playing at the correct times, leading sectional rehearsals, and making sure they know what parts to play.
- Responsible for managing the bass section, making sure they fill out required forms, getting them the correct bowings, and establishing seating arrangements in the section.
- Responsible for communicating with the other bassists, ensuring they know when things have changed, mentoring younger members of the section, and disseminating information and instructions from the conductor or personnel manager.
- Reliable in that I am always on time and always ensure that I am on top of my emails.
